

# ICCPND 2014

The 1st International Conference on Contents, Platform, Network and Device

July 10-13, 2014

Pusan National University, Pusan, Korea

## CALL FOR PAPERS

The 1st International Conference on Contents, Platform, Network and Device (ICCPND 2014) will be held on July 10 - 13, 2014 at Pusan, Korea.

ICCPND 2014 will be the most comprehensive conference focused on the various aspects of advances in smart technologies. The main purpose of this conference is to improve our research by achieving the highest capability possible in smart technologies. ICCPND plans to be held every year to bring together the researchers from academia and industry as well as practitioners to share their ideas, problems and solutions relating to the multifaceted aspects. It includes a full three-day program of keynotes, technical sessions, poster sessions, and exhibits that focus on convergence technology. ICCPND 2014 will encourage open discussions on technology alternatives that focus on the management and operation of current and future contents, platform, network and device. Overseas and domestic authors are invited papers related to the theme: "**Contents, Platform, Network, Device, and System & Convergence**". The theme will be further subdivided into below 4 focal areas.
